This is a WEB26 (Python Leads) call that came inbound March 9<sup>th</sup>. Call came inbound to Shantae Nash.

She spoke with Joe Ferguson for about 10 minutes probing for information about us but sounding like an interested person. He didn't give off a vibe that he was a litigator. He ended the call by stating he doesn't need any insurance right now and he has our number so he'll call back if he does.

There are no additional calls or recordings.
